Wawasee Plaza History Highlight

Here's an interesting piece of Wawasee Plaza history we haven't highlighted recently: in 2010, the former bank section of the building was remodeled and an indoor waterfall was added. Over the years, the renovated lobby has been home to a variety of businesses, including a deli, bakery, beauty salon, purse designer, and tattoo parlor.

Tenant Spotlight: Sweeney Julian PC

Sweeney Julian PC is an Indiana law firm focused on representing people who have been injured in accidents. The firm handles personal injury matters including motor vehicle accidents and other serious injury claims, with an emphasis on helping clients navigate the legal and insurance process. The firm has served Indiana clients for decades and describes community service as an important part of its mission.

Sweeney Julian's main office is in South Bend, and the firm lists (574) 247-1234 as its primary phone number. Public sources confirm that the firm serves clients in the Syracuse area; however, I could not independently verify the suite number for its Wawasee Plaza location or specific hours for that location, so I would not publish either until we confirm them.
